**REQUEST FOR REVIEW OF PATENT TERM ADJUSTMENT**

Mail Stop Patent Ext.  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

It has recently come to our attention that there may be an error in the patent term adjustment calculated by the U.S. Patent and Trademark Office for the above-referenced patent. Specifically, the patent term adjustment pursuant to 35 U.S.C. 154(b) that is indicated in the issue notification recently received by Applicants as 718 days may extend the term of this patent by too many days. Please review the

calculation of the patent term adjustment and make corrections using a certificate of correction if necessary.

Respectfully submitted,

Date: February 15, 2006
